**Sub: Panel of Transaction Advisors for Public Private Partnership (PPP)  
Projects (Circular No. 24).**

-----

The State Government realizing the importance of Public Private Partnership (PPP) mode in bringing down the infrastructure deficit, has decided to take up various sectors for development through PPP mode. Implementation of this Policy will require capacity to determine the suitability and feasibility of Public Private Partnership transactions and implement the transactions. For this purpose the implementing agencies require transaction advisory services.

2. In the year 2007, the Government of India had notified a panel of pre-qualified Transaction Advisors to assist the agencies concerned to avail Transaction Advisory Services by inviting bids from the panel members. The Government of Madhya Pradesh had also adopted the same panel for Public Private Partnership Projects in the State. In April 2012, Government of India has withdrawn the said panel and subsequently the Government of Madhya Pradesh vide its Circular No. F-1/42/04-PMU/2012/1472 dated 28/6/2012, has directed all its concerned agencies to appoint Transaction Advisor only through a transparent open competitive bidding process.

3. Realizing the difficulties faced and time taken by Government departments and organisations in appointment of Transaction Advisors for PPP Projects, the State Government has decided to appoint a panel of prequalified Transaction Advisors for the Government of Madhya Pradesh, its departments / organisations / sponsoring authorities who are undertaking Public Private Partnership Projects. The panel of such prequalified Transaction Advisors is enclosed as Annexure 'A'

4. The panel members have skills and experience to provide necessary support for Public Private Partnership transactions. All Departments / Organisations / Municipal agencies of the Government of Madhya Pradesh who undertake Public Private Partnership Project may select any firm by inviting financial proposals from this panel. However, the Government Departments / Organisations / Municipal agencies have the option to appoint Transaction Advisors through a transparent open competitive bidding process.

5. The panel is valid for a period of three years from the date of issue of this circular. The panel may be reviewed at any time as deemed fit by the Finance Department.

6. During the period of empanelment of this panel, the Finance Department may debar / blacklist any firm, if it finds that the firm has failed in providing the required services.

7. Details of this panel are also available on the website:
