1.5 Common Accounting Principles Concerning Income Accounting

The following principles are applied uniformly on Income from Property and Other Taxes, Water Supply and Rentals, Fees and Other Sources of Income:

- a) Interest element and Penalties, if any, in demand is reckoned only on receipt.
- b) Revenue in respect of Notice Fee, Warrant Fee and Other Fees charged the recognized when the bills for the same are raised.
- c) Refunds, Remissions of taxes for the current year is adjusted against the income and if pertain to previous years then it is treated as prior period item.
- d) Write-offs of taxes are adjusted against the provisions made and to that extent recoverable gets reduced.
- e) Demand raised with retrospective effect are treated a prior period income to the extent it pertains to earlier years.
- f) Demand raised arising out of change in self - assessment of properties is treated as 'Change in Demand' and are accounted for as income relating to previous year to the extent it pertains to earlier years.
- g) Any additional provision for demand outstanding required to be made during the year is recognized as expenditure and any excess provision written back during the year is recognized as income of the ULB.
- h) Refunds, remissions of all kind of incomes for the current year is adjusted against the income and if pertain to previous years then it is treated as prior period item.
- i) Write-offs of Other Income are adjustment against the provisions made and to the, extent recoverable is reduced.
- j) Any subsequent collection or recovery of all kinds of receivable which were already written off is recognized as a 'Prior Period Income'
- k) In case collection of any income is under litigation, wherever applicable, no accrual entry is passed and disclosure of it is made in the Notes to Accounts.
- l) Any additional provision for demand outstanding (net on overall basis) required to be made during the year is recognized as expenditure and any excess provision written back during the year is recognized as income of the ULB.

1.6. Provisions for Arrears of Income

The age- wise analysis of all receivable on account of taxes, fees, rental and charges has not been made at the year-end in the financial statements due to the unavailability of age- wise information.

2.0 Assigned Revenues

All 'Assigned Revenues' like Compensation in lieu of octroi, State Finance Commission, Stamp Duty, Surcharge on transfer of Immovable Properties, is accounted during the year on actual receipt basis. However, at year-end, if the sanction orders for release of funds were issued and funds actually remitted, such amount are accrued as income for the year by debit to the Assigned Revenue Receivable.

3.0 Grants

3.1 Revenue Grant

- a) General purpose Grants, mainly from the state government are of a revenue nature; is recognized on actual receipt basis.
- b) Grants received or receivable in respect of specific revenue expenditure is recognized as income in the accounting year in which the corresponding revenue expenditure is charged to the Income and Expenditure Account.

3.2. Capital Grant

- a) Grants received towards expenditure (these are generally from State Government) are accounted on actual receipt basis. The amount is initially being credited to a Capital Grant head under 'Liabilities'. Upon acquisition/construction of the asset the value of the amount so spent is debited to the liability head by corresponding credit to 'Capital Contribution'.
- b) Capital Grants received as a nodal agency or as implementing agency for an intended purpose, which does not, result in creation of assets with ownership rights for the ULB is treated as a liability till such time it is used for the intended purpose. Upon utilization for the intended purpose, the extent of liability stands reduced with the value of such utilization and no further treatment, as a capital receipt is required.
- c) Grants in the form non-monetary assets (such as fixed assets given at a concessional rate) are accounted for on the basis of the acquisition cost. In case a non-monetary asset is received free of cost, it is recorded at a nominal value (e.g. Rupee One.).
- d) Income on Investments made from 'Specific Grants received in advance' is recognized and credited to the Specific Grant, whenever accrued. Profit/loss, if any, arising on disposal of investments made from the 'Specific' Grant received in advance are also recognized and credited/ debited to the Specific Grant.

- p) Statues and Heritage Assets – Statues and valuable works of art are valued at the original cost and no depreciation is charged thereon. In case, however, the original cost is not available or the items have been gifted to the ULB by some other person/authorities, the value should be taken at Rupee One. Heritage buildings declared through Gazette Notification should be booked under this head and should be valued at book value/cost of the material date. No depreciation should be charged on such buildings. However, in case of capital improvements after the building has been so notified, depreciation at the normal rate of buildings is charged. In case, however the book value/cost of the material date is not available or the items have been gifted to the ULB by some other person/ authorities, the value should be taken at Rupee One. Material date in this case would be the date of Gazette Notification.
- q) Intangible assets include computer software, which is valued at cost plus cost of staff time and consultants costs incurred, in implementing the software, if any. It is capitalized, only when the intangible asset is developed, and which can be used by

ULB over a period of time be derive economic benefits from it. In case it is not so, the entire amount is charged to revenue, in the year which it is incurred. The intangible assets acquired are depreciated over a period of five years' life, whichever is earlier.

- r) Where ULB has taken a loan or other borrowings for the construction of as asset or a group of assets, then the interest would be capitalized to that particular assets or the group of assets. If a particular loan cannot be identified for a specific asset, then capitalization would be made at weighted average rate. The weighted average rate is applicable after taking into consideration the period of completion/building of assets and the amount invested in relation thereto.
- s) Depreciation on assets on which government grant has been received, is calculated on the gross value of fixed asset i.e. without deducting the grant amount from asset value. The grant so received is charged to the income and expenditure statement in the same proportion as the depreciation charged on such assets.

5.0 Stores

- a) Expenditure in respect of material, equipment, etc., procured is recognized on accrual basis, i.e., on admission of bill by the ULB in relation to materials, equipment, etc, delivered. Amount proportionate to depreciation of the asset is credited to the Income and Expenditure Account every year Depreciation on assets on which government grant

has been received, is calculated on the gross value of fixed asset i.e. without deducting the grant amount from asset value. The grant so received is charge to the income and expenditure statement in the same proportion as the depreciation charged on such assets.

9.0 Lease and Hire Purchase

- 9.1 Lease can be of two types- Finance Lease and Operating Lease. In a Finance Lease, the lessor transfers substantially all the risks and rewards incident to ownership of an asset. An Operating Lease is a lease other than a finance lease.
- 9.2 When an ULB (as a lessee) have obtained an asset on lease, effecting the lease agreement as a finance lease, then it have assumed all the risks and rewards incident to ownership:
- a) In case of Finance Leases, the ULB would recognize the lease both as an asset both as an asset and a liability.
 - b) The lease item would be recognized as an asset at the cost value of the lease as per agreement or at any value as agreed between the lessor and the lessee.
 - c) The principal amount payable on the lease, equivalent to the asset value only would be shown as a liability.
 - d) Amount of lease payments would be apportioned between the finance charge and the principal repayment.
 - e) The principal repayment would reduce the lease liability and the finance charges would be considered as an expense.
 - f) The lease asset would be subject to normal deprecation like that considered for other assets in the same category, when they are not leased.
- 9.3 When an ULB (as a lessor) have granted an asset on lease, effecting the lease agreement as a Finance Lease, then it have relinquished all the risks and rewards incident to ownership:
- a) The ULB as a lessor would consider the lease in the balance sheet as receivable at the agreed value and recognize the transaction of relinquishing the rights as a disposal of asset, so held or as a sale of properties.
 - b) Of the lease payments received, the ULB should recognize the finance income on a systematic and rational basis and recognize the same as an income for the year.
 - c) No depreciation can be provided by the ULB (as a lessor) when the lease is of a Finance Lease.
