Audit Report

PURPOSE OF AUDIT

A audit is conducted to provide an opinion whether "financial statements" (the information being verified) are stated in accordance with specified criteria. Normally, the criteria are Indian accounting standards, although auditors may conduct audits of financial statements prepared using the cash basis or some other basis of accounting appropriate for the organization. In providing an opinion whether financial statements are fairly stated in accordance with accounting standards, the auditor gathers evidence to determine whether the statements contain material errors or other misstatements.

The audit opinion is intended to provide reasonable assurance, but not absolute assurance, that the financial statements are presented fairly, in all material respects, and/or give a true and fair view in accordance with the financial reporting framework. The purpose of an audit is to provide an objective independent examination of the financial statements, which increases the value and credibility of the financial statements produced by management, thus increase user confidence in the financial statement, reduce investor risk and consequently reduce the cost of capital of the preparer of the financial statements.

Management's Responsibility for Financial Statements

Management's responsibility for the fairness of the representations in the financial statements carries with it the privilege of determining which disclosures it considers necessary. Although

management has the responsibility for the preparation of the financial statements and the accompanying footnotes, the auditor may assist in the preparation of financial statements.

Management is responsible for the integrity and objectivity of the financial statements. Estimates are necessary in the preparation of these statements and, based on careful judgments, have been properly reflected. Management has established systems of internal control that are designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use, and to produce reliable accounting records for the preparation of financial information.

Management recognizes its responsibility for conducting the Corporation's affairs in compliance with established financial standards and applicable laws and maintains proper standards of conduct for its activities.

- Management is responsible for preparing the financial statements and the contents of the statements are the assertions of management
- The independent auditor is responsible for examining management's financial statements and expressing an opinion on their fairness

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

मुख्य नगर पालिका अधिकारी
नगर पालिका परिषद जौरा
जिला मुरैना (म.प्र.)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Municipal Corporations & Councils Act requires the auditor to:

- Gives a true and fair view about whether the financial report complies with the accounting standards
- Conduct their audit in accordance with auditing standards
- Give the directors and auditor's independence declaration and meet independence requirements
- Report certain suspected contraventions to Municipal Act

Opinion

We have also audited management's assessment, included in the accompanying Management's Annual Report on Internal Control Over Financial Reporting, that the Council maintained effective internal control over financial reporting as of 31st March 2024. The Council's management is responsible for maintaining effective internal control over financial reporting and for its assessment of the effectiveness of internal control over financial reporting. Our responsibility is to express an opinion on management's assessment and on the effectiveness of the Council's internal control over financial reporting based on our audit. We conducted our audits in accordance with the Indian Accounting standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether effective internal control over financial reporting was maintained in all material respects. My audit of internal control over financial reporting included obtaining an understanding of internal control over financial reporting, evaluating management's assessment, testing and evaluating the design and operating effectiveness of internal control, and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion.

A Council's internal control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Corporation's internal control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Corporation; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Corporation are being made only in accordance with authorizations of management and directors of the Corporation; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized

acquisition, use, or disposition of the Corporation's assets that could have a material effect on the financial statements.

Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, management's assessment that Jaura Municipal Council is maintained effective internal control over financial reporting as of March 31, 2024, is fairly stated, in all material respects, based on criteria established in Internal Control.

A way forward.

The consultants have made all-out efforts to compile the Balance Sheet as prescribed in the MPMAM. The NAGAR PALIKA officials have been continuously apprised of the developments and the additions and it has been appreciated by them, from time to time. However, no effort, in this kind of Technical Assistance project, can claim to be conclusive and there always is a chance of an odd asset/liability or more, which can still be added. The important thing, however, is, that a structure has been built, which can easily be updated on a continuous basis, from now onwards.

The consultants would appreciate the valuable inputs from the NAGAR PALIKA officials/ Financial management expert, concerning the above report.
