AUDITOR'S REPORT

NAGAR PALIKA PARISHAD, NAGDA, DISTRICT UJJAIN (M.P.)

Report on the Financial Statements

We have audited the accompanying financial statement of NAGAR PALIKA PARISHAD NAGDA DISTRICT UJJAIN (M.P.), which comprises of the Receipts and Payments Account for the year ended on 31st March, 2021. The above Institution do not keep its accounts on double entry system of accounting therefore, there are no Balance Sheet and Income & Expenditure Account The Institution only prepares Receipts and Payments Account. The Institution follows Cash System of Accounting. The observations on the scope of audit work prescribed and other notes, comments and explanatory information etc. are attached herewith.

Management's Responsibility for the Financial Statements

The Institution's Management is responsible for the preparation of the Receipts and Payments Account that give a true and fair view of the Receipts and Payments in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Receipts and Payments Account that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the above Receipts and Payments Account based on our audit. We conducted our audit in accordance with the standards on Auditing issued by the Institute of Chartered Accountants of India. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Receipts and Payments Account is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosers in the Receipts and Payments Account. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Receipts and Payments Account, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Institution's preparation and fair presentation of the Receipts and Payments Account in order to design audit procedure that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Institution's internal control. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management

as well as evaluating the overall presentation of the Receipts and Payments Account we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion. Test check methods have been applied in areas where ever the same has been considered appropriate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Receipts and Payments Account give a true and fair view, in conformity with the accounting principles generally accepted in India, read with significant accounting policies, of the Receipts and Payments of the Institution for the year ended on that date, subject to the following reasons.

- (a) Most of the bank account opening balances as per cash book and as per bank statement are significantly unreconciled and due to that many significant items / amounts of receipts / payments might have been omitted to be included in the receipt and payment account. It is informed to us that the differences between bank balances as per bank statement and as per cash book includes various differences pertaining to the earlier many years, therefore, it is not possible to prepare bank reconciliation statements and to exactly reconcile the above differences instantly. In Financial year 2020-21 Bank balances are not brought forward each day in cash book in both manual and computerized system.
- (b) As per our observation, SAP software is used by the Nagar palika parishad since last 2 years and they haven't got proper training to use the software because of which they are not able to operate it effectively. During the course of audit it was found that, there were many receipts of a day which was not accounted for in cash book of software for particular days, on discussing it was informed that the day has not been closed on the software. Cash receipts during the day are accounted for in Cashier Cash book and can be seen in Software. The Nagar palika parishad is not able to reconcile the online receipts with their bank statement as the amount is transferred after 2 to 3 days for a day or collectively for days. During the course of audit it was found that the revenue receipts of a head on several occasions were found to be part of other head due to which total revenue from a particular head is not reliable.

OBSERVATIONS ON THE SCOPE OF AUDIT WORK PRESCRIBED NAGAR PALIKA PARISHAD, NAGDA, DISTRICT UJJAIN (M.P.) FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2021

(1) AUDIT OF REVENUE:

- The Institution is following Cash System of Accounting for recording receipts. The receipts
 ofrevenue from all the sources on the above basis have been examined.
- ii. The revenue receipts have been checked from the counterfoils of receipts books on test check basis. The receipts are generated from software. They are generally found to have been duly recorded in the challans, Cashier's Cash Book and Accountant's Cash Book (software). Few instances where some discrepancies have been noticed arementioned as under:

S. No.	Date	Amount	Observation
1	15.05.2020	2400/-	The receipt of Miscellaneous Income as per cashier cash book Rs. 4100 and as per SAP cash book Rs.2400/-
2	05.06.2020	139405/-	The receipt of water tax as per cashier cash book Rs. 147455 and as per SAP cash book Rs.139405/-
3	05.06.2020	0/-	The receipt of Application form as per cashier cash book Rs. 200 and as per SAP cash book nil.
4	06.06.2020	104977/-	Receipts as per Cashier cash book: 1) Water Tax: 125875/- 2) Bazar Bethak: 1860/- 3) Pani Shulk: 1300/- Receipts as per SAP cash book: 1) Water Tax: 103417/- 2) Bazar Bethak: 1560/- 3) Pani Shulk: Nil
5	19.01.2021	189634/-	Receipts in cash book Rs. 212748 Receipts in SAP cash book Rs. 189634/- Samekit Kar head missing in SAP cash book
6	15.02.2021	0/-	Receipts of 15.02.2021 were not recorded on SAP and were recorded in Cashier Cash book Rs. 17000/-
7	17.02.2021	0/-	Receipts of 17.02.2021 were not recorded on SAP and were recorded in Cashier Cash book Rs. 32359/-

मुख्य नगर पारिका अधिकारी नगर पालिका परिषद्, नागद्या Chief Municipal Officer

Remark as to above defects:

The above errors mentioned in S. No. 1 to 7 are due to day closing errors and different head considered to record the receipts of the day and online receipts not considered in Cashiers Cash book. The errors were rectified and days were closed in SAP and it has been informed to us that the effect of the above entries has been taken in the closing balances as mentioned in Receipts and Payments Account

iii. The percentage of increase / decrease in revenue collection in various heads prescribed, as compared to the corresponding figures mentioned in the Receipts and Payments Account of the previous year i.e., of Financial Year 2020-21 are as under:

Head of Income	Recovery in Financial year 2020-21(Rs.)	Recovery in Financial Year 2019-20 (Rs.)(As per chart of Audit Report of F.Y. 2019-20)	Increase / (-) Decrease (Rs.)	% of Increase / (-) Decrease
Property Tax (Sampatti Kar)	9584735	9803145	(218410)	(2.2%)
Samekit Kar	3609162	4899941	(1290779)	(26.3%)
Shiksha Upkar	1586188	1744532	(158344)	(9.1%)
Jal Kar	8690958	8501881	189077	2.2%
Nagariya Vikas Upkar	2262330	2426620	(164290)	(6.8%)

iv. The revenue receipts are found to have been deposited in bank account in time. On some days there are delays in deposit of money in bank account but they are generally of not more than 2 days. For these minor delays the account officer has offered explanation that they are mostly due to bank holidays. It is informed to us that the challan for deposit of money in bank is internally checked by an independent person apart from a person who has received money and has issued receipt to the tax payer etc. However, on the basis of test check, in few cases, it is noticed that the challans have not been checked / not signed for checking by such independent person.

It is suggested that the pre bank deposit checking of challan with counterfoils of receipts by an independent person should be invariably done in all cases

v. The entries in Cash book have been verified with respective vouchers, counterfoils of receipts, bank deposit slips etc.

vi. It is informed to us that the Nagar palika parishad has not laid down any monthly or quarterly targets for revenue recovery. It has only yearly target (Budget) for the same. The comparative figures of revenue recovery against the yearly budgetary figures in respect of the some major heads of revenue are mentioned as under:

Head of Income	Yearly Target (Budgeted Amount) (Rs.)	Recovery in financial Year 2020-21 (Rs.)	Over Target / (-) Shortfall (Rs.)	% of Over Target / (-) Shortfall
Property Tax (Sampatti Kar)	18300000	9584735	(8715265)	(47.62 %)
Samekit Kar	6500000	3609162	(2890838)	(44.47 %)
Shiksha Upkar	4000000	1586188	(2413812)	(60.35 %)
Jal Kar	25500000	8690958	(16809042)	(65.92%)
Nagariya Vikas Upkar	4200000	2262330	(1937670)	(46.14%)

However there is some following discrepancy found related to revenue recovery against monthly and annual target:-

Nagar Palika Parishad Nagda have an agreement with Grasim industry related to maintenance of industrial area in which Nagar Palika is having a right to collect maintenance charges every year from Grasim Industry but Nagar Palika didn't collect charges from past 3 years which amounted to Rs. 3,05,94,260/-. Out of which 3 installments are paid as per the proposed agreement and 2 installments are due to be paid.

vii. The Nagar palika parishad is following cash system of accounting, therefore, interest income is also recorded on receipt basis. The interest income on Fixed Deposits has been verified from their maturity amount / renewal amount as recorded on the Fixed Deposit Receipts wherever available / wherever relevant details have been mentioned on Fixed Deposit. The entire details have been given in the attached Annexure "A". In cases where the Fixed Deposits are renewed at an amount other than the maturity amount mentioned on Fixed Deposit Receipt, it is difficult to verify that whether the full interest has been granted by the bank or any deduction has been made from maturity amount by bank. In this regard it is suggested that every year the Nagar palika parishad should obtain the interest certificate from the bank in respect of each Fixed Deposit and verify the actual amount received on renewal.

Some of the important observations regarding FDRs are as follows:

- The Nagar palika parishad has maintained FDR Register but the same is not in proper format and some details are missing.
- Interest Certificates have not been obtained from some banks, instead estimated interest on FDR has been accounted in cash book.
- Bank wise and FDR wise details of FDRs are not recorded in cash book, therefore, it is not
 possible to check principal amount and / or any adjustment made in the FDR amount.
- Renewal details of FDR are not available in some cases. The entire details have been given in the attached Annexure "A".
- viii. The entire details of Fixed Deposits along with the rate thereof and comments regarding lesser rate of interest (wherever appears to be so) have been given in the attached Annexure "A".

(2) AUDIT OF EXPENDITURE:

- The Institution is following Cash System of Accounting. The expenses have been recorded on payment thereof. The audit has been done in respect of general expenditure and expenditure incurred under the schemes.
- ii. The entries of expenditure made in the cash book have been verified from the relevant vouchers and supporting. Wherever quotations have not been obtained, a certificate has been appended by the concerned person that the payment has been made not in excess of the prevailing market rate. Some of the discrepancies which came across on test check are as under:

Date	Amount	Description
22/07/2020	209830/-	GST has been charged by Vendor Surana Sales in 3 Sales bills and GSTIN is Cancelled from March 2019 payment voucher No.198,200,201
13/10/2020	1,09,160/-	The Invoices pertains to service received from Agrawal Flex for Mahashivratri Mela in 2016 however new Bill was issued by them on 18/08/2020 for Amount Rs. 1,09,160/- including GST. Voucher No. 475 & 476.
09/10/2020	6,42,624/-	Payment made to Arihant Tent House for making police camps in containment areas Amount paid Rs. 6,42,624/- Invoices issued 15 No GST No. is there of the supplier and SD GST is not deducted (Voucher No.426)

मुख्य नगर पोलिका अधिकारी Chienwancipal afficerac, नगदा RN 009276C

- iii. The monthly balances of bank accounts are not appearing in the cash book only opening and closing balances of the year were accounted for. It is due to the reasons that:
 - (a) The Nagar palika parishad has no practice to prepare monthly bank reconciliation statements.
 - (b) there are mistakes in opening balances in the cash book, In Financial year 2020-21, Bank balances are not brought forward each day in cash book both manual and software because of which they have taken closing balance as per bank statement.

In this regard it is suggested that the Nagar palika parishad should account for opening and closing bank balances daily in cash book or SAP. Bank reconciliation statement should also be made on a monthly basis. It is observed that the number of bank accounts kept by the Nagar palika parishad appears to be more than its reasonable requirement. In this year some bank accounts were closed, still there are some bank accounts where transactions are not made and are yet to be closed. Therefore number of bank accounts may be reduced to reasonable extent by considering the actual requirement of Nagar palika parishad. This may be helpful in ensuring smooth, correct and timely accounting of bank entries in the cash book and in preparation of bank reconciliation statement.

- iv. It is informed by the Nagar palika parishad that the expenditure has not been incurred in excess of the Grant received for that purpose, but the expenditure incurred in PMAY Scheme (Rs.16.45 Cr.) is in excess of Rs. 6.05 Cr. than the receipts (Rs. 10.40 Cr.) during the year as grant was not utilized in the previous year. Further, the Nagar palika parishad has maintained the Grant Register but the same is not updated in respect to expenditure done from particular grant.
- v. The expenditures incurred were in accordance with the guidelines, directives, acts and rules issued by the Government of India / State Government. No adverse cases of contravention of the same came across during the course of test check.
- vi. The expenditures are found to be supported by the financial and administrative sanction of the competent authority limited to the administrative and financial limits of the sanctioning authority.
- vii. Appropriate sanction of the competent authority has been obtained for incurring expenses. Expenditures without proper sanction were not come to our notice during the course of audit on test check basis.
- viii. It is explained to us that the Utilization Certificates have not been issued by the Nagar palika parishad in all the cases. The same have been issued by the Nagar palika only in the cases where they have been asked by the higher authorities. The Nagar palika does not keep and maintains its accounts on double entry system of accounting. Therefore, there is no Income

Accountant

Chief Municipal Officer धिकारी नगर पालिका परिषद् , नागदा

- and Expenditure Account and Balance Sheet. Further, Fixed Assets Register is not maintained by the Nagar palika.
- ix. It is informed to us that the Nagar palika parishad is providing advance only to its employees which amounts to Rs. 539000/-. No temporary or other advance is given to the Contractors or any other persons. Further, the employee advances are duly recovered from the salary due for the next month. Advances related to retired employees pertaining to past years are brought forward and are not recovered till date.

(3) AUDIT OF BOOK KEEPING:

- i. All the books of accounts i.e., Accountant's Cash Book, Cashier's Cash Book, Khata Khatoni, Grant Register and Fixed Deposit Register have been examined during the course of audit. Some of the records and registers maintained by the Nagar palika parishad are not in proper format and also not updated.
- ii. It is informed to us that the Nagar palika parishad is required to maintain its accounting records as per Madhya Pradesh Municipal Accounting Manual (MPMAM) but presently the Nagar palika parishad is not fully following the same.
- iii. It is informed to us that the Nagar palika parishad is providing advance only to its employees. No advance is given to the Contractors or to any other persons. The Nagar palika has kept register of advances to the employees but the same is not properly maintained.
- iv. It is informed to us that the Nagar palika parishad has no practice to prepare bank reconciliation statements and it is not possible to prepare the exact reconciliation instantly as the balances are un-reconciled / not exactly reconciled from last many earlier years. The preparation of exact reconciliation requires examination of records of many earlier years. In respect of some of bank accounts, the previous auditor had included bank reconciliation statement in his audit report but the same were on the indicative basis and for the purpose of providing guidance only. Therefore, looking to the prevailing circumstances, the Nagar palika parishad is required to do the thorough efforts as a separate and distinct task to reconcile the bank balances by considering the records of earlier years also.
- v. The receipts and payments of grants as per grant register have been verified from the entries in the SAP cash book. On verification, it is observed that utilization of grant was not updated in grant register. Grant register of PMAY was only maintained by the Nagar Palika Parishad

vi. It is informed to us that the fixed asset register is not maintained by Nagar palika parishad. Therefore, it is not possible for us to comment on status of fixed assets.

vii. The receipts and payments for the grants / project funds have been included in the receipts and payments account and cash book of the Nagar palika parishad. The details of the grants have also been mentioned in the grant register however the same is not updated.

(4) AUDIT OF FIXED DEPOSITS / TERM DEPOSITS WITH BANKS:

- i. The Nagar palika parishad is maintaining register of Fixed Deposits with banks. The audit of fixed deposits has been done with the help of Fixed Deposit Receipts issued by banks and the Fixed Deposit Register maintained by the Nagar palika parishad. The details regarding fixed deposits made, their maturity, renewal, interest thereon, physical verification of Fixed Deposit Receipts etc. have been given in the attached Annexure "A".
- ii. It is observed during the course of audit that renewal of some of the fixed deposits /term deposits was not timely done by the Nagar palika parishad. The complete details regarding renewal of fixed deposits / term deposits have been given in the attached Annexure"A".
- The details regarding rate of interest at which the each Fixed Deposit have been given in the attached Annexure "A". It is suggested that since the Nagar palika parishad makes big deposits therefore, every time when new Fixed Deposit is made / Old Fixed Deposits are renewed, it may issue request letters to the reputed banks to quote best possible higher interest rates. So that the Nagar palika may have good options available for earning higher interest income. The option for auto renewal should be invariably opted (only as a precautionary measure, without prejudice to the above mentioned suggestion) so that in case when renewal could not be done timely, the Nagar palika parishad may not suffer any interest loss.
- iv. The Nagar palika parishad is following cash basis of accounting. Therefore, the entries of interest received have been verified in the cash book on the above basis. Interest Certificates have not been obtained from some of the bank, instead estimated interest on FDR has been accounted in cash book.

Besides the above, some of the important observations regarding FDRs / TDRs which came across to our notice during the course of audit are as follows:

- The Nagar palika parishad has maintained FDR Register but the same is not in proper format.
- Interest Certificates have not been obtained from the bank, instead estimated interest on FDR has been accounted in cash book.
- Bank wise and FDR wise details of FDRs are not recorded in cash book, therefore, it is not
 possible to check principal amount and / or any adjustment made in the FDR amount.

मुख्य नगर पालिका अधिकारी Chief Municipal Officer, नागदा

 Renewal details of FDR are not available in some cases. The entire details have been given in the attached Annexure "A".

(5) AUDIT OF TENDERS / BIDS:

- The tenders / bids invited by the Nagar palika parishad have been audited on test check basis. It is noticed that no tender register has been kept and maintained by the Nagar palika parishad, though it is informed to us that tender process is completely online as per government directives.
- ii. It is observed during the test check the Nagar palika parishad has generally followed competitive tendering procedures for the bids as prescribed by the statutory authority.
- iii. The Nagar palika parishad has obtained tender fee / bid processing fee. No adverse case of non obtaining of the same came across on test check during the course of audit.
- iv. The Nagar palika parishad has obtained only one bank guarantee in lieu of bid processing fee/performance guarantee during the F.Y. 2020-21. Such Bank Guarantee is verified with respective Letter of Guarantee issued by the Bank.
- v. The Condition of Bank Guarantee is verified in all respective and there no such condition found which is against the interest of Nagar palika parishad.
- vi. There is no such case found where the Bank Guarantee will extend.
- vii. The Nagar palika parishad has not maintained Nikshep i.e., Amanat Register for deposits obtained and returned to the outsiders. However, the Nagar palika parishad is not getting signatures of the outsiders on the back of the Deposit Receipts. It is suggested that signatures of the outsider should invariably be taken on the back of the document in interest of the Nagar palika parishad

(6) AUDIT OF GRANTS AND LOANS:

- i. The audit has been done in respect of grants given by the Central Government. These grants are included in the receipts and payments account and cash book maintained by the institution. In this regard no adverse cases of non proper utilization have come across on test check during the course of audit.
- ii. The audit has been done in respect of grants given by the State Government. These grants are included in the receipts and payments account and cash book maintained by the institution. In this regard no adverse cases of non proper utilization have come across on test check during the course of audit.

- It is informed to us that neither any loan has been provided for physical infrastructure nor any asset was created.
- iv. No instances of diversion of funds front capital receipts / grants / loans to revenue expenditure and from one scheme to another came across during the course of audit.

OTHER OBSERVATIONS / NOTES / COMMENTS / INFORMATION:

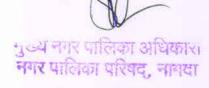

ुञ्च नगर पालिका अधिकास

- a) The Nagar palika parishad should maintain a double entry system. Employees should be trained to use the software effectively. Proper accountant cash book should be maintained and should be reconciled with SAP cash book.
- b) It is informed to us that demands have been raised by the Income Tax Department on the Nagar palika parishad in respect of old TDS matters.

c) The abstract sheet for reporting in audit paragraphs is attached herewith.

7	As per last year suggestion from the auditors the municipality has reduced the number of bank accounts.	The municipality has no practice to maintain a Bank reconcilation statements. Bank balances are unreconciled from last many earlier years.	Differences are there between bank balances and cash book balances.	11 installments are deducted from the monthly salary the last one being for the Interest.	Advances given to employees are deducted through monthly salary	The muncipality has kept register for advances to the employees.	The Muncipality is providing advances only to its employees. No advance is given to contractors or other persons.
	Still the requirement of reduction of number of bank account sustains and municipality should reduce it to reasonable extent considering its actual requirement.	Differences carried on from earlier years should also be reconciled.	Monthly bank reconciliation should be prepared regularly and timely and also in respect of all bank accounts	from the monthly An advance register should be properly he Interest.	Efforts should be made to recover advances	The terms & conditions of advance should not be detrimental to the interest of the municipality.	The eligibility criteria for advance to employees should invariably be scrutinized thoroughly in each case before sanctioning the advance
