1.) We have audited the Receipt and Payment account of Nagar Parishad, Nagod for the year ended 31.03.2023 and the schedules along with annexure attached thereto with it. We have concluded that financial management of Nagar Parishad was not enough for non maintenance of Key records like Fixed Asset Register, Preparation of unrealistic budget and improper management of revenue earning assets.

Income of the Nagar Parishad was not enough to meet the obligations. To meet establishment cost and for providing civic services, the Nagar Parishad continued to rely on Govt Grants.

The taxes, rent, Fees were imposed by Nagar Parishad were neither revised at regular intervals. Nor collected in time resulting in accumulation of arrears.

There was considerable shortage of staff in Nagar Parishad whether accounts or other department which adversely affected its functioning.

We have audited the Receipts and Payment account for the year ended 31.03.2023 same is annexed with report.

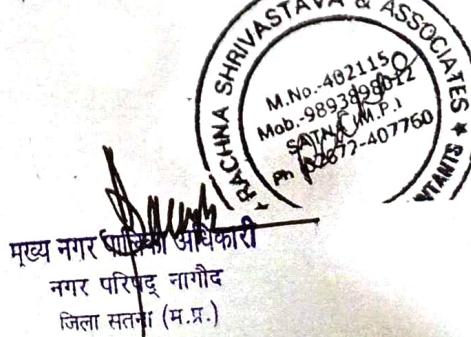

We have audited the revenue income on cash basis of accounting. The same is deposited on the same day or next day of the receipt in Bank account maintained.

We have audited the revenue expense on cash basis of accounting and the same is crossed checked with the bank statement.

We have also computed the closing balance of cash and bank as per the receipt and payment account of Nagar Parishad Nagod for the year ended 31.03.2023 and same is reported as per Schedule

2.) However as per our views there is no control over the amount of tender work allotted and the amount of expenses done against the tender .No such register maintained for the amount of tender work allotted and the amount of expenses already incurred.
