He shall perform audit of loans provided for physical and infrastructure utilization. During his audit the auditor shall specifically comment on the revenue mechanism i.e. whether the asset created out of the loan has generated the desired revenue or not. He shall also comment on the possible reasons for nongeneration of revenue.

the same are provided in table above

As per information provided by the ULB and according to our verification, ULB has accorded loan from HUDCO. The loan repayment has been timely made at each quarterly/annually (as applicable) rest. However, there was no document or information provided to verify whether the asset created out of the loan has generated the desired revenue or not. We cannot comment on the possible reasons for non-generation of revenue.

Details of loan taken and repayment, as provided by the ULB to us, are provided here below:

Non recovery of taxes

Urban Local Bodies (ULB) earns revenue from their own resources through taxes, rent, fees, issue of licenses etc. In test check of Nagar Parishad Chakghat as of 31 March 2022 a sum of Rs 15.84 Lakhs (as shown in Table Below) plus Interest & Penalties were outstanding against the taxpayers, although the ULBs had powers under section 165 of Madhya Pradesh Municipalities Act, 1961 to approach a Magistrate to seek orders for recovery by distress and sale of any movable property of attachment and sale of immovable property belonging to defaulters, however they had not invoked these power to recover the outstanding taxes. Failure to invoke its powers resulted in non-recovery of outstanding taxes and resource crunch, leading to hindrance in development works
