CHARTERED ACCOUNTANTS

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India (ICAI). Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Municipality for preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Municipality Management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate (subject to notes on accounts and points mentioned in other respective section of audit) to provide a basis for our audit opinion on the financial statements.

4. Un Qualified Opinion:

In our opinion and to the best of our information and according to the explanations given to us, the said accounts, read with notes thereon, given in above Annexure 'A' and 'B' give true and fair view of the Receipts and Payments account of the Nagar Parishad Suwasra for the year ended on as at 31st March 2023.

Read Annexure B Audit of expenditure for detailed.	Read Annexure B Audit of Book Keeping for detailed	Interest Certificates from bank should be collected in order record correct interest amount for the year.	It is advisable to ULB that work from contractors should be completed within time frame and action to be taken against such contractors if not completed within time frame.	It has been suggested to muncipality that to prepare properly grant register such that balance can be ascertain grant wise. Read Amexure B Auciti of expenditure for detailed.	Read Annexure B Audit of Book Keeping for detailed.	Interest Certificates from bank should	It was observed that contracts could not be completed on time due to various reasons. Registers for Security Deposit details and Tenders sold details are not maintained.	Balance of Grant registeres are not inked out and out of own fund expenses has been incurred from it.	We didn't came across any such diversion of fund.
The vouchers files are properly maintained by nagar Muncipality and appears to be true and fair view on Sample test check basis.	The nagar parishad has properly maintained books of accounts, and records related to daily transactions	Nagar Parishad has made investment in FDR	We have audited tenders/ bids invited by the ULB-during the F.Y.2022-23 by applying Sample Test Check Basis and no contraventions or exceptions were noticed during the course of audit has been mentioned in Notes to accounts.	We have verified grants given for CG and SG to the extent data available for verification and provided to us however no UC has been produced to us for verification. Also there is no bifurcation available for CG and SG grants.	Diversion of Funds cannot be determined due to improper maintenance of Grant Registers and due to non adherence of guidelines of opening a different Bank account for each of the specified Grant. The ULB have maintained a Single Cash Book & Bank Accounts for all the State received Grants & ULB's revenue is same and all the expenditures are routed through said Bank accounts. Therefore there may be chances that there may be diversion of Grants.
