Notes to Accounts

- 1. The grants/subsidies were credited in bank accounts of Municipality without intimating about the nature of grant/subsidy. Therefore, it is difficult for the accountants to account the grant in proper heads as well as for auditors in verifying it. The Proper sanctioning authority is requested to send the intimation letter specifying the nature of grants/subsidies. We suggest that summaries statement of monthly grant release and deduction made there from should be obtained from Directorate Bhopal and same should be reconciled.
- Octroi Compensation and Passenger tax received from Directorate Bhopal is accounted for on net amount actually received in the bank after the deduction from the directorate. Adjustment for deduction made by the Directorate, Bhopal from the grant is not grossed up in the books of account. We suggest that deduction made by the Directorate should be account for separately.
- We are unable to verify the details of capitalization of expenditure, since most of
 the work is in progress. Further in the absence of complete details regarding all
 the assets of the ULB and fixed assets register balance sheet could not be
 finalized.
- 4. We suggest that account should be linked with another sweep account with the bank so that idle fund automatically gets transferred to short term deposit without affecting the liquidity of fund, so that extra interest income can be generated.
- It was observed that proper log registers for vehicle usage, No of kms of run, vehicles details was not maintained. Therefore we are unable to comment on the diesel/petrol expenses incurred by ULB.
