To,
The commissioner,
Singrauli Municipal Corporation

We have audited the attached Balance Sheet of **Municipal Corporation, Singrauli**, as at 31st March, 2020 and the Income & Expenditure Account for the year ended on that date, annexed thereto. These financial statements are the responsibility of the management. Our responsibility is to express opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted Auditing Standards in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance whether the financial statements are prepared, in all material respects, in accordance with an identified financial reporting framework and are free of material misstatements. An audit includes, examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management as well as evaluating the overall financial statements. We believe that our audit provides a reasonable basis for our opinion.

Subject to our audit observation in annexure I to this report,

We report that -

- a. We have obtained all the information and explanation which, to the best of our knowledge and belief, were necessary for the purpose of our audit
- b. In our opinion, proper books of accounts as required by the Act and Rules have been kept by the Municipality so far as it appears from our examination of those books;
- c. The Balance Sheet of municipal corporation, Income and Expenditure and Receipts and Payments accounts (shall be read with notes to accounts and significant accounting policies annexed with this) are in agreement with the books of accounts:
 - I. In case of the Balance Sheet, of the state of affairs of the Municipality as at 31st March, 2020 and
 - II. In case of Income and Expenditure Account, of the Surplus of the Municipality for the year ended 31st March, 2020

Place: Bhopal

Annexure -1
Audit Observation & Qualification
General points:-

1. Previous Years figures have been regrouped and rearranged, wherever necessary for audit.
2. We observed that double entry system for all the records has not been maintained. Further, we have noticed that computerized entries are not made spontaneous to record accounting entries. Liability to vendor is recognized in the Tally software only when its Invoice finally approved from competent authority which is violation of accrual basis of accounting entry. Instead of above liability of vendor should be immediately recognized when service will provide or Goods have been received.

Audit of Revenue

3. Municipal Corporation is following accrual basis of accounting to record the revenue items. However in certain items , corporation has booked income on actual receipt basis:

S.No.	Particulars	Amount
1	Rent lease (Premium)	2,23,93,805
2	Bus stand tax	7,80,120

4. We observed that Municipal Corporation receives fund for Automatic Building Permission fees every year and has been separately maintained in separate cash book and contra entry has transferred to Municipal bank accounts but this being the revenue income of Municipal Corporation and has to be included in municipal cash book instead of maintaining separately. **Total balance under this Grant head as on 01.04.2019 of Rs. 94,40,058.02 has been transferred to Municipal fund and current year income and expenses are showing in Income & Expenditure account . We recommend that Bank Account Balance (Axis bank -67364) should be taken as part of Main cash book and separate register should not be maintained.**
5. While audit, we observed that Revenue collection booking is done by revenue department and the data is transferred to account department for further booking in main cash book and tally data and *we noticed further that there is little bid difference in all the revenue account heads amounts of revenue booked by revenue department and the amount booked by accounts department and the reason for such difference is rounding off figures and due to interchange booking of account heads* and we can see from below table that the overall difference of revenue booking is not material keeping in mind the voluminous transaction of the organization.

We bring to your notice that **the revenue amount booked by Accounts Department** has been taken in preparation of financial statements.

Accounts head	Revenue amount booked by Accounts Department (based on main cash book & tally data)	Revenue amount booked by Revenue Department(based on Property tax register)
Sampati kar-current year	858,70,474.35	85870000
Samekit kar- current year	23,00,890	2300000
Water tax- current year	4,57,885	456000
Education cess –current year	32,00,079	3200000
Rent (Markets) -current year	91,95,550	9058000
Nagriya vikas Upkar-current year	1,09,83,647	1,09,83,000
Sampati kar-Previous year	35,58,365	3569000
Samekit kar- previous year	8,29,202	829000
Water tax- previous year	1,73,162	165000
Education cess –previous year	2,33,097	235000
Rent complex-previous year	6,04,006	584000
Nagriya vikas Upkar-Previous year	5,48,602	548000
Total	11,79,56,955.35	11,77,97,000
Difference	1,59,955.35	

As per management, the above difference had been prevails in the previous year's also and resultant of the same, there is mismatch in Debtors in manual records and Computerized record. The details of the same are as follows:

Particulars	Debtors as per Accounts Department (based on main cash book & tally data)	Debtors as per Manual Department (based on Property tax register)
Receivable from property taxes	6.73 Cr	5.53 Cr.
Receivable of other property tax	2.02 Cr.	1.41 Cr

Receivable of cess other tax	1.30 Cr.	0.98 Cr.
Receivable for fees and user charges	0.18 Cr.	0.06 Cr.
Rent Shopping Complex	2.21 Cr	0.20 Cr.
Total	12.44 Cr	8.18 Cr.

To reconcile above differences of revenue department and accounts department, last year (FY 2018-19) Provision against debtors has been created of Rs. 4.46 Crore by management which is prevailing in current year (FY 2019-20) also.

6. Interest income on FDR's has been recorded on accrual basis but no any balance confirmation certificate produced from bank. Therefore all the closing balance of FDR's is subject to confirmation.
7. An FDR amounting to Rs.24,000/- is only entered in cash book but neither a hard copy is available nor it is entered in the investment register. In absence of sufficient information the calculation of interest is not done on the above mentioned FDR.
8. Revenue Grants, contribution and subsidy sub group included an amount equal to the depreciation on assets formed/purchased out of grant fund amounting to Rs.14,49,46,149.85/- (Non Cash item) is debited from capital reserve from grant fund and credited to revenue grant from capital reserve as per MPMAM norms.

Audit of Expenditure

9. From the year 2015-16 to FY 2019-20 , MC has received total 76.50 Cr in account of 'Grant housing for all' out of which Rs. 57.91 Crore provided by government , Interest income of rs. 1.84 Crore, Municipal Corporation share of Rs. 11.00 Crore and Net Benefiacy contribution of Rs 6.16 Crore. . Municipal Corporation accounts department has passed and approved Bills of Rs. 80.12 Crore from this deposit work which is not correct. Resultant of that Deposit work shown adverse balance of Rs. 4.40 Cr. as on 31.03.2020.

MC is working only as a nodal agency for grant expense work and they cannot approve bill more than deposit work receipt.

10. During the year FY 2018-19, MC has paid Rs. 9,81,010 to M/s Arise Service and project on 31.03.2019 after deducting TDS of Rs. 17,211 and GST of Rs. 17,211 but MC has not paid this amount to Govt. till the date of audit.
11. Expenditure of Rs. 21,24,966 /- made against Repair and Maintenance-refrigerators and water coolers (M/s C S Marketing) on 21-06-2019, out of which Rs. 6,00,000 paid from RO Bank account (

Allahabad bank Rs. 6,00,000) which is not correct. MC should take separate bills for grant and municipal fund.

Moreover, in last financial year 2018-19, This expense made from RO Grant whereas this year, expense has been booked in municipal fund. As RO plant assets not belong to corporation, this expense should not booked as municipal fund expenses. We observed that electricity bills regarding RO Plant bared by Municipal Corporation. To that extent , Expense is overstated by MC. Management should take strict action to prevent this.

12. During the FY 2019-20, We have observed some transactions in which TDS/BCW/GST has been deducted but not paid to government. Details of the same given below:

S.N o.	Date	Party	Total Amount	Statutory due	TDS amount	Remark
1	25.05.2019	Baghel & company	110750	TDS	1877	Not found in TDS register
2	14.05.2019	M/s Mahendra Assosiates	36726	TDS	735	Not found in TDS register
3	30.04.2019	Kapil Construction	39058	TDS	662	Not found in TDS register
4	03.07.2019	M/s Creative Solutions	90270	TDS	1530	Not found in TDS register
5	31.08.2019	M/s Krishna Enginnering works	97374	TDS GST	1739 869	Not found in TDS register
6	13.11.2019	M/s Indu Photo Studio	88500	TDS	1500	Not found in TDS register
7	09.01.2020	M/s Vanya Assosites	92400	TDS	1848	Not found in TDS register
8	10.07.2019	M/s Shiv Constuction	193160	TDS BRGF GST	3449 1725 3449	Not found in TDS register (BRGF)
9	11.04.2019	M/s Rajsthan Patrika Pvt	3968	TDS	79	Not found in TDS grant register(CM shahri grant)
10	24.06.2019	M/s R K Advertising	30000	TDS	600	Not found in TDS grant register(CM shahri grant)
11	13.03.2020	M/s Development Avenue	94750	TDS	9475	Not found in TDS grant register(DUTF Amrit yojna)

Further, we observed that short payment in case of GST output charged on rental of shops. Details of the same given below:-

Zone	Month	Short Payment
Waidhan Zone	Nov-19	130
Morva Zone	Dec-19 Feb-20	4148 2612
Navjeevan Bihar Zone	June-19 August-19	775 5715
Total		13380/-

13. While verifying the vouchers on sampling basis, we noticed that certain expenses and incomes has not booked in according to the account head prescribed in the Madhya Pradesh municipal account manual (MPMAM). During the sampling vouching, we have noticed that some capital expenditure on Road/ Bridge/ Flyover/ Building has treated as revenue expenditure. We are unable to quantify the same and to that extent, expenditure of MC is showing upward.
14. Depreciation has been calculated by the management on the fixed assets as recorded in tally software maintained by the accounts department in excel sheet. No actual FAR produced to us for verification during the course of audit by any department concerned. Thus, asset addition in each asset group is subject to confirmation from FAR register. In the financial year 2019-20 Rs. 31.75 Cr. has been charged as depreciation expense which is non cash item.
15. Organization has made several contacts for the purchase/ construction of fixed asset but specific completion certificates/ management certificate of any particular asset completion is not being produced to us for verification
16. Management doesn't have any system for physical verification of its fixed asset and store/ Inventory. Due to Covid 19 pandemic, we can not go to physical verification of store, hence we cannot comment on the same.
17. **Some Accounts codes under Recoveries payable Shown debit balance(Carried forward from Previous year) due to excess payment/ Cross account head payment.**

S.No.	Account code	Balance as on 31.03.2020	Remarks
1	BCW deduction Payable	43,300/- Dr	Current year diff
1	Professional tax-NULM	5,000/- Dr.	Opening C/f
2	Royalty Hudco	1,81,087/- Dr.	Opening C/f
3	TDS- CM Shahri Swachta mission	1,01,392/- Dr	Opening C/f 95945/- + current year 679/-
4	TDS -NULM	13,148-Dr.	Opening C/f
5	VAT- CM shari Swachta Mission	1,69,023/- Dr.	Opening C/f
		5,12,950/-	

18. Municipal has taken loan from HUDCO and the amount is to be repaid proportionately by Singrauli Municipal and State government i.e. in ratio of 25:75. State Government is repaying part of its loan to HUDCO on yearly basis and the same being reflected in loan statement from HUDCO . Amount repaid by state government on yearly basis is transferred from loan account to CM Infrastructure Grant account. *The amount transferred from HUDCO loan to Grant account during the current financial year 2019-20 is INR 71,75,430/-.*
19. The information and comments on Fixed Assets and CWIP is based on the evidences and information received from the Tally Data and respective department. CWIP represents capital assets which are still under process of construction/completion and have not been commissioned. The amount of CWIP has been estimated on the basis of files, made available, for verification of work orders issued(unfinished) and part payment made before 31 March 2020, with the balance in 2019-20 or is still unpaid. Many Assets has been Noticed which has completed but Completion Certificate & Final payment have not been Made. **Management is capitalizing the Fixed asset created from municipal fund on time basis as completion certificate is not available from very long time in almost all the construction assets and the assets created out of grand fund is on actual payment basis.** To that extent CWIP is understated and Assets have been overstated.
20. **Schedule B-9:** Security Deposit & Earnest Deposit from supplier/contractor, all debtors, all creditor and employee payable are subject to confirmation. Further no any manual individual party wise ledger has been maintained for sundry creditors, security deposit and other deposits.
- Moreover, we found that many creditors outstanding is same as couple of previous years and it seems that many creditors not exist as on 31.03.2020. It is suggested to review creditors and if it not to be paid, then amount should be transfer to income.
21. **Schedule B-15 ; Sundry debtors:-** We observe that under head sundry debtors there exists the sub heads for property tax and other taxes and cess, the recovery of which is uncertain and the details from whom such amount to be recovered is not available with accounts department . Further no any individual ledger has been maintained for sundry debtors in computerized record (Tally software).
 However Revenue department has manual register of Sundry Debtors of Property and other tax of Rs. 8.18 Crore as on 31.03.2020 in against of Gross sundry debtors of Rs. 12.44 Crore in tally software.
22. As per information provided by management, an amount of Rs. 4.35 Cr. in respect of samekit kar and education cess has been pending with N.C,L which is disputed and the matter is being pending at Jabalpur high Court as on the date of audit and above amount already has been taken in revenue and shown in Sundry debtors which is against the Prudence Principal.
23. As per MPMAM, Provision against debtors could be made on the age wise pendency and chances of receiving the debt. But in the FY 2018-19, management made provision of Rs. 4.45 Cr. for netting off difference of debtor's record in Revenue department and Accounts department. As per Management, These excess debtors had been created erroneously in Opening Balance sheet of Singrauli MC in FY. 2007-08. **However age wise analysis of each and every individual is not done and no approval from competent authority has been produced before us.**

Audit of Book keeping system

24. In the Current financial year 2019-20 Management has transferred following amounts from Grant fund cash book to Municipal fund cash book (Axis Bank account-623) (for online payment of statutory dues and creditors) which is not the standard procedure.

Grant and loans received form governments are for any specific purpose. Municipal Corporations are not allowed to transfer any amount or any transaction between grant banks and municipal banks. Any diversion / or any other purpose uses of grant will defeat the purpose of separate bank account system.

S.No.	Amount transfer from Grant fund to Municipal fund for incurring expenditure	Amount (Rs.)
1.	Amrit Yojna Cash book	3,05,07,854
2.	NULM ,	22,07,697
3.	RO Plant	6,00,000
4.	NULM- Shelter Home	1,56,400
5.	BRGF	1,58,799
	Total	3,36,30,750

25. Addition in the point no. 24, MC have only shown this amount in the municipal fund cash book but not add in the main cash book of Axis Bank-623 which is incorrect , resultant of that we are unable to comment on BRS and accounting of this bank account.

Further, in addition to the above, As on 31.03.2020, following balances of the grants still shown in Municipal fund accounts

S.No	Grant	Balance of grant fund in municipal fund
1	NULM Grant	38400/-
2	Amrit Yojna	-57210 -36639/-
3	BRGF Yojna	8623/-

26. During the Year FY 2019-20, Municipal Corporation has received Rs. 3,69,10,389/- for beneficiary contribution of Pradhan Mantri Aawas Yojna in Municipal fund bank namely UBI A/c No. 750 (Total amount Rs. 4,18,65,389/-) but MC has not taken this amount in Main cash book resultant of that Municipal cash book is showing less balance and bank statement showing higher balance. BRS of above bank is affected. This is incorrect method of managing Cash book as all the receipts and Payments should be part of Main cash book.

Moreover, during the year MC has transferred beneficiary contribution to the concerned Housing for all bank account (Axis bank A/c number 9622) from Canera bank (Amount Rs. 2,46,41,700/-) and from PNB Bank (Amount Rs. 1,46,98,500) whereas it should be transfer from UBI bank A/c 750. Respective Contra entry should be made in UBI A/c 750 for proper reconciliation.

Till the Closing date of books of accounts i.e 31.03.2020, MC has not transfer Rs. 1,32,99,854/- amount to respective deposit work (PMAY). No separate register has been maintained for PMAY- beneficiary contribution . It is strongly advised to keep proper records for PMAY- Beneciary contribution reconciliation.

- 27. GST tax Compliance:-** (a) Municipal Corporation booked GST input in each transaction because input is not eligible, MC booked the whole GST input (Capital as well as Revenue item) as expenditure under 2 30 80 Other Operating expense. Total GST Input for FY 2019-20 Rs. 4,14,51,716.

It is suggested, as GST input not available to Municipal Corporation, MC should book full expense under respective head.

(b) MC has not booked GST on advocate's bills properly, which is under reverse charge. MC should book liability under reverse charge and maintain proper records.

- 28. During the audit, we observed that some transactions are not taken in cash book but payment made by bank. Details of the same tabled below:-**

Date	Particulars	Amount	Bank Account	Remarks
01.08.2019	Salary wages and bonus payable	9667814	UBI A/c 750	Entry not taken in cash book
01.08.2019	Salary wages and bonus payable	81000	UBI A/c 750	Entry not taken in cash book
25.06.2019	CPF Payable	20527	UBI A/c 750	Entry not taken in cash book
24.10.2019	Professional tax payable	624	Axis A/c 623	Entry not taken in cash book
19.03.2020	Professional tax payable	1700	Axis A/c 623	Entry not taken in cash book
24.10.2019	TDS Employee payable	155000	Axis A/c 623	Entry not taken in cash book

- 29. (a)** Municipal Corporation shown Income of Rs. 32,51,388 on 14.11.2018 in cash book of Axis bank account 623 erroneously. This amount should be reversed in manual cash book. However necessary correction has been done in tally cash book FY 2018-19

(b) Rs. 89,64,227 paid from UBI 750 bank account in July month but erroneously deducted from Axis Bank account 623 balance in calculation . Correction is pending in manual cash book however Necessary correction has been done in Tally cash book.

(c) In FY 2018-19, Following three payments have been done from UBI 750 bank account but erroneously deducted from Axis Bank account 623 balance in calculation . Correction pending in manual cash book however Necessary correction has been done in Tally cash book.

S.No.	Date of Payment	Amount
1	14.12.2018	1,21,869/-
2	14.03.2018	8,942/-
3	27.03.2019	2,81,800/-

(d) We have checked BRS prepared by the management and found the following discrepancy:

There are certain entries in axis bank for which payment has been made from axis bank account but the same has been booked in UBI 750 , due to this error balance at the end of the year does not shows correct figures.

Bank Interest and Bank Charges are booked in cash book at the end of financial year i.e. on 31st March every year. It is suggested to the management that interest and bank charges should be booked every month in cash book.

In many cases we found that closing balances are not calculated properly i.e. calculation mistakes has been done in many cases wherein the actual balance are different this is due to wrong calculation of closing balance at the end of each month. (Check BRS of UBI 750 and Axis Bank 0623 for more details)

In certain bank accounts (Specially UBI A/c 750 and Axis bankl A/c 623)there are many long pending BRS entries like cheques which are stale in nature , receipts in banks but not taken cash book, payments in bank but taken in cash book, incorrect classifications etc, which has not been adjusted in cash book. Last year also we have pointed out adjustment in BRS but same has not been incorporated in books. We suggest that appropriate adjustments need to be done in cash book so that previous year unadjusted entries can be placed and there should be no previous year transactions appear in BRS.

Bank balances has been worked out on the basis of Bank Cash Book provided. Some of the Bank Balances are subject to confirmation and adjustments arising due to reconciliation.

30. As per MPMAM, an amount equal to depreciation on asset created/formed from grant fund should be debited from Capital reserve from grant fund and the same is credited to current year income to nullify the effect of depreciation charged on grant fund assets. In financial year 2019-20, an amount equal to the depreciation on assets formed/purchased out of grant fund amounting to Rs. 14.49 Crore is debited from capital reserve from grant fund and credited to revenue grant from capital reserve. This income should be debited to capital contribution of each grant on the actual basis but management has transfer the revenue income in the ratio of Capital reserve of each grant as on 31.03.2020 which is not as per the MPMAM. The table wise details of the same is as below:-

S. No.	Particulars	Amount transfer from capital reserve (Crores)
1	Capital Contribution CM HUDCO Loan	0.58
2	Capital Contribution consolidated	0.43

3	Capital Contribution 13 th finance	0.22
4	Capital Contribution BRGF	0.24
5	Capital Contribution Basic Minimum	1.39
6	Capital Contribution State Finance	0.30
7	Capital Contribution janbhagidari	0.11
8	Capital Contribution 14 th Finance	1.14
9	Capital Contribution Nazool/MPUSP	0.02
10	Capital Contribution Road Development	0.09
11	Capital Contribution vehicle	0.03
12	Capital Contribution-UIDSSMT	9.83
13	Capital Contribution-Amrit Yojna	0.11
	Total	14.49 Cr

Audit of FDR

31. Municipal corporation has held FDR of Rs. 24.86 Crores as on 31.03.2020 as investment. Separate FDR register has been maintained. We have verified physically each FDR deposit receipt and not found discrepancy.
32. Accrued interest on each FDR has been manually calculated by the management as banks doesn't provided accrued interest certificate. We have check the calculation and found satisfactory.
33. UBI Sanjay Nagar bank has deducted TDS of Rs. 15,62,315/- in FY 2019-20 on interest of FDR given to Singrauli MC , which is shown as other current asset in Balance sheet. MC have to request bank to not deduct TDS because Municipal Bodies are exempted for this provision.
34. Separate earnest money / Security deposit FDR register which is received from contractors/ proposed bidders should be maintained which could not be the part of accounting record till date.

Audit of Tender/Bid/BankGuarantee

35. Tenders/Bid/Bank guarantee:-

- a) Municipal Corporation is following dual bid system to award the work.
- b) Estimates are being prepared on the basis of 2012 DSOR.
- c) No any detailed NIT provided by the corporation there fore we are unable to verify the applicability of bank guarantee.

- d) During the Current year 2019-20, FDR of Rs. 67,702 (against Vijul Nadi Pariyojna) has been deposited for UIDSSMT work as bank guarantee .

Audit of Grants & Loans

36. We have checked the grant registers and grant cash book and bank account maintained by the municipal corporation and found following observation:

- (a) *As mentioned in the point no. 24 above*, Municipal corporation is making payment of various contracts executed through the year and deducting the statutory liability like VAT/TDS/PT and payment of both Contractor payment and Statutory liability have been made from municipal fund bank account (Axis bank-623) and contra has been passed from grant to municipal fund bank account **which is not the correct procedure and system and this need to be redefined by the municipal corporation. This procedure defeats the purpose of separate bank account system.**
- (b) Municipal Corporation not allowed doing transaction between grant fund banks and municipal fund banks except in crucial circumstances with Permission of Council.

37. Diversion of the funds:- During the year Rs. 10,00,00,000/- has been transferred from UIDSSMT grant Axis bank account 2381 to municipal fund bank ICICI Bank Account 904 on 08.07.2019 and return during the year, which is incorrect. Any amount receipt for specific purpose should be kept on respective bank account till use but Municipal Corporation doesn't follow standard procedure in the particular case

38. During the audit, we observed certain grants receipts are not matching with annual statement issued by UADD department, GoMP.details of the grant tabled below. Management should reconcile that difference :-

Grant Name	Receipt in tally (FY 2019-20)	Receipt as per statement (FY 2019-20)	Difference
Basic Minimum Grant	1.29 Cr	0.89 Cr	0.40 Cr
State Finance Grant	2.02 Cr	1.79 Cr	0.23 Cr

In addition of above, we found difference in various source of information regarding Grant receipts in UADD sites and letters issued to MC.

Moreover, certain revenue grant received by MC for which exact head or sanction letter not received by MC. Thus to that extent, Income is overstated and grant receipts/revenue grants are subject to clarification form UADD, GOMP Bhopal.

39. 4 60 40 Loan and Advance to Vendor: Municipal Corporation has given advance to vendor M/s K K Span India pvt Ltd of Rs.11,04,55,600/- (Amrit Yojna Grant) in Financial year FY 2017-18 (@ interst rate of 9.65%). During the current year MC has started adjusting of advance and interest thereon from

bills. Total Rs. 53,66,182 has been adjusted from principal amount and Rs. 1,49,60,183/- taken as interest adjusted from bills. MC is not authorized to give advance to vendor on interest. Approval from Competent authority is also not produced before us

40. During the Financial year 2019-20, Singrauli MC has transfer Rs. 40,80,000 from Municipal fund to Grant CM Shahri Swachta Mission on 05.10.2019.. MC has shown this entry as adjustment from Municipal fund account code 3 10 10 000.
41. During the Financial year 2019-20, Singrauli MC has transfer Rs. 13,00,00,000/- from Municipal bank accounts (UBI 15508 and UBI 750) to UIDSSMT Axis Account 2381 as Municipal Share.(District magistrate fund and NTPC CSR fund) MC has shown this entry as adjustment from Municipal fund account code 3 10 10 000. No approval from council provided to us
42. Municipal Corporation this year taken BLC Grant in books of account. Till previous year , Allahabad bank account has been used for BLC grant. In current year, MC has closed Allahabad bank account and operate in Axis bank Account 98458. Since Allahabad account number 12052 statement has not produced before us, we are unable to comment on the accounting treatment.
43. During the year FY 2019-20, Rs. 33,20,000 received as Beneficiary contribution -IHSDP in Municipal bank accounts but till date not transfer to respective grant account.
44. Municipal Corporation has received Sambal yojna grant in Municipal bank accounts and treated as revenue grant income which is not correct. MC is only nodal agency for Sambal Yojna grant. We are unable to quantify the amount of grant as no specific grant letter has been produced before us.

45. Internal control system :-

- a) We observed that no internal audit has been conducted during the accounting period.
- b) There is no internal control system with the management to track the expired bank guarantees collected from different work orders
- c) Mismatch of accounting head is found between income/expenditure vouchers and accounting records.
- d) We observe that double entry system of accounting has not been adopted completely by Municipal Corporation.
- e) Security Deposit & Earnest Deposit & loan and advance from supplier/contractor, all debtors, all creditor and employee payable are subject to confirmation.

2	Audit of expenditure	<p>(1) We have checked the bill voucher with cash book and bank book maintained by the corporation. (2) Depreciation has been calculated by the management on the FAR maintained by the accounts department only for the depreciation purpose. No actual FAR produced. (3) In current year Automatic building permission fees income and expenditure shown in municipal fund. (4) MC has received 76.50 Cr on account of "Grant housing for all". MC accounts department has passed and approved Bills of Rs. 80.12 Crore from this deposit work which is not correct. Resultant of that Deposit work shown adverse balance of Rs.4.40 Cr. as on 31.03.2020. MC is working only as a nodal agency for grant expense work and they cannot approve bill more than deposit work receipt. (5) During the year FY 2019-20, MC has not paid statutory dues like TDS/GST/BGW in respect of certain transaction (details given in main audit report) till the date of audit. (6) Some Accounts codes under Recoveries payable Shown debit balance due to excess payment/ Cross account head payment. (Detail given at main audit report)</p>	<p>1) We observed that complete double entry system has not been followed. Computerized Entities are not made spontaneous to record accounting entries. (2) In the course of our audit, we have observed mismatching of heads in income/expenditure voucher and accounting records there on. (3) We recommend that Bank Account Balance (Axis bank -67364) should be taken as part of Main cash book and separate register should not be maintained. (4) We have noticed that some recoveries payable account codes are showing debit balance , possible reason may be cross head booking/ double payment booking. Govt. dues booking.</p>	<p>(1) Higher officer should regularly watch the computerized accounting record on time basis. (2) tally data entry should be made spontaneous and on real time basis to achieve the purpose of double entry accounting system. (3) MC is working only as a nodal agency for grant expense work and they cannot approve bill more than deposit work receipt. (4) Management should give attention while Govt. dues booking.</p>
3	Audit of Book keeping	<p>(1) In municipal corporation singrauli , books of accounts has been maintained in manual system by respective department and on the computerized system by accounts information. (2) Apart from this , No individual ledger is maintained in the debtors/security deposit/earnest deposit. (3) In itself prepared Fixed asset register only for the purpose of calculating depreciation. (4) There is mismatch in amount of sundry debtors as per computerized record and manual record which is As far as point 5 of Description Is concerned, this is incorrect method of managing Cash book as all the receipts and Payments should be part of Main cash book.</p> <p>1) Separate register should be maintained for beneficiary contribution for proper reconciliation and Fixed Assets registers needs to be maintained properly and updated on timely basis by respective department and should produced before auditors for audit. Accounts department should be made to reconcile the difference in the manual record and computerized record. (3) As far as point 5 of Description Is concerned, this is incorrect method of managing Cash book as all the receipts and Payments should be part of Main cash book.</p>	<p>1) Separate register should be maintained for beneficiary contribution for proper reconciliation and Fixed Assets registers needs to be maintained properly and updated on timely basis by respective department and should produced before auditors for audit. Part-II

S.No..	Parameters	Description	Observation in brief	Suggestion
5	Audit of Tender / Bids	No separate register has been produced during the course of audit for tender/bids. As per management, Corporation is following dual bid system to award the work. Estimates are being prepared on the basis of 2012 DSOR.	On the discussion with PWD department, BG's has been collected wherever necessary in respective year but we can not verify the old BG's as major BG's has closed as of date. (2) Municipal Corporation does not provided any detailed Notice inviting tender therefore we are unable to verify the bank guarantee clause.	Separate Earnest money/ Security deposit FDR register should be maintained which could not be the part of the accounting records
6	Audit of Grants & Loans	(1) Separate grant receipt and expenditure record maintained in the corporation. (2) Municipal has taken loan from HINDCO and the amount is to be repaid proportionately by Singrauli Municipal and State government i.e. in ratio of 25:75 . State Government is repaying part of its loan to HUDCO on yearly basis and the same being reflected in loan statement from HUDCO . Amount repaid by state Government on yearly basis is transferred to CM Infrastructure Grant account. The amount transferred from HUDCO loan to Grant account during the current financial year 2019-20 is INR Rs. 71,75,430/- (3) we found difference in various source of information regarding Grant receipts in UADD sites and letters issued to MC. Moreover, certain revenue grant received by MC for which exact head or sanction letter not received by MC.	1). Municipal corporation is making payment of various contracts executed through the year and deducting the statutory liability like VAT/TDS/PTT but from July onwards both Contractor Payment and Statutory liability payment have been made from municipal fund bank account (Axis bank-623) and contra has been passed from grant to municipal fund bank account which is not the correct procedure and system and this need to be redefined by the municipal corporation. This procedure defeats the purpose of separate bank account system.	Grant and loans received from governments are for any specific purpose. Municipal corporation do avoid any transaction between grant banks and municipal banks. Any diversion / or any other purpose uses of grant will defeat the purpose of separate bank account system. (2) Municipal Corporation not allowed to transact between grant fund banks and municipal fund banks except in crucial circumstances with Permission of Council.
7	Incidences relating to diversion of funds from capital receipts/ Grants/Loans to revenue nature expenditure and from one scheme to another	1) During the year Rs. 10,00,00,000/- has been transferred from UIDSSMT grant Axis bank account 2381 to municipal fund bank (ICICI Bank Account 904 on 08.07.2019 and return during the year, which is incorrect. (2) Singrauli MC has transfer Rs. 40,80,000/- from SBI 40031 to Axis bank A/c 22577 account (3) Singrauli MC has transfer Rs. 19,05,000 from UBI 750 to DUFF bank of Baroda A/c 6444 on 26.02.2019. (4) During the financial year 2019-20, Singrauli MC has transfer Rs. 13,00,00,000/- from Municipal bank accounts (UBI 125508 and UBI 750) to UIDSSMT Axis Account 2381 as Municipal Share.(District magistrate fund and NTPC CSR fund) MC has shown this entry as adjustment from Municipal fund account code 3 10 000 . (5) Municipal Corporation has received Sambari Yojna grant in Municipal bank accounts and treated as revenue grant Income which is not correct. MC is only nodal agency for Sambari Yojna grant.	Any amount receipt for specific purpose should immediately transfer to the concern bank account and specific expenditure should only be made from that grant fund account for proper accounting of grant but municipal corporation doesn't follow standard procedure.	Any amount receipt from any unknown sources should be kept unused. As and when the source and purpose are known to the management, the whole receipt should immediately transfer to the specific grant or specific purpose as the case may be but municipal corporation doesn't follow standard procedure.
7A	Any Other	Municipal Corporation has given advance to vendor M/s K K Span India pvt Ltd of Rs.11,04,55,600/- (Amrit Yojna Grant) in Financial year FY 2017-18 (@ interest rate of 9.65%). During the current year MC has started adjusting of advance and interest thereon from bills. Total Rs. 53,66,182 has been adjusted from principal amount and Rs. 1,49,60,183/- taken as interest adjusted from bills. MC is not authorized to give advance to vendor on interest. Approval from Competent authority is also not produced before us.		Municipal Corporation should not provide loan and advance to vendor for such as long time. Proper approval from Competent authority should be taken. Accounts Officer should personally monitor recovery of advance and interest calculation

3.4.2. **Other Revenue Expenditures**

- a) Other Revenue Expenditures is treated as expenditures in the period in which they are incurred.
- b) The expenditure for the current period shall include the proportionate value of the benefits and/or services arising in the current period even if the payment therefore has been made in the previous period.
- c) On the test basis, we verified that expenditure of particular scheme is limited to

the fund allocated for that particular scheme and expenditure has been incurred accordance with the guidelines directives and rules issue by GOI or GOMP time to time except the qualification mentioned in annexure 1.

- d) On test checking of expenditures, appropriate sanctioned has been obtained from competent authority.
- e) Organization has made several contacts for the purchase/ construction of fixed asset *but specific completion certificates/ management certificate of any particular asset is not being produced to us for verification.*

3.4.2 Borrowings or Loans received

Provision for Interest expenditure on HUDCO loan is not recognized in the books of accounts on accrual basis.

3.5 Audit of Book keeping

3.5.1 Singrauli municipal corporation has maintained the prescribed books of account as per accounting rules applicable to Urban local bodies.

3.5.2 We verified advance register and on the test checking of the same, we found that all the advance are timely recovered according to the terms & condition of the advance and on test checking basis we haven't found any case of non recovery.

3.5.3 Bank reconciliation statements has been verified by us and the pending cheques which are not cleared or the amounts which have not been taken in cash book has been appropriately reflected in BRS.

3.5.4 All the receipts and payments of the grants have been verified by us from entries in Grant cash book and grant register.

3.5.5 Fixed asset register has been maintained by the individual departments municipal corporation. Assets which have completed in all respect, has only been entered in FAR.. But CWIP has not been recorded in any register i.e for CWIP no physical record/register maintained by Municipal corporation.

3.5.6 Assets Completed but not Capitalized: On the test checking, we verified certain assets and as per management these assets are completed in all respect but the same has not been entered in FAR. The reason given by management for the same is non availability of completion certificate/ Completion certificate. **Thus, the balances of the Physical FAR available with various departments mismatch with the amount of fixed asset in balance sheet.**

3.5.7 FAR which are available in individual department not updated with the entries of depreciation and assets damaged or sold.

3.5.8 Depreciation has charged on assets based on details available with accounts department in soft copy and the data of physical FAR available with different departments mismatch with the data available in the soft copy with accounts department.

3.6 Audits of Tenders & Bids

3.6.1 On the basis of discussion and sample checking, organization has followed competitive tendering procedures.

3.6.2 On the discussion with PWD department, BG's has been collected wherever necessary in respective year but we can not verify the old BG's as major BG's has closed as of date.

3.7 Audit of grants & Loans

3.7.1. Revenue Grant

- General purpose Grants, mainly from the state government are of a revenue
- a) Nature e.g. *Najul Lagan* are recognized as incomes on actual receipt basis.
 - b) Grants received or receivable in respect of specific revenue expenditure is recognized as income in the accounting year in which the corresponding revenue expenditure is charged to the Income and Expenditure Account.
 - c) We have checked the grant received from central government & state government and the expenditure against these grants has been properly accounted for **except the qualification given in annexure 1.**

3.7.2. Capital Grant

- a) Grant received towards capital expenditure (these are generally from State/Center Government) is accounted on actual receipt basis. The amount is initially be credited to a Grant/ Contribution head under the 'Liabilities'. Upon Final Capitalization/ acquisition/construction of the asset the value of the amount so spent is debited to the liability head by corresponding credit to Capital Contribution from Grant Fund. Till the assets remain in CWIP status, the grant amount doesn't reduce under the head "Liabilities". In financial year 2019-20, **an amount equal to the capital expenditure made out of grant fund Rs. 1,37,79,58,649- is debited from grant fund and credited to capital reserve fund.**
- b) Grants received as a nodal agency or as implementing agency for an intended purpose, which does not, result in creation of assets with ownership right for the ULB is treated as a liability till such time it is used for the intended purpose. Upon utilization for the intended purpose, the extend of liability stands reduced with the value of such utilization and no further treatment has been done. In current financial year **an amount equal to revenue expenditure made out of grant fund is debited from grant fund and credited to revenue grant fund.**
- c) Grants in the form of non-monetary assets (such as fixed assets given at a Concessional rate) are accounted for on the basis of the acquisition cost. In case a non-monetary asset is received free of cost, it is recorded at a nominal value (e.g. Rupee One).

- d) As per MPMAM, an amount equal to depreciation on asset created/formed from grant fund should be debited from Capital reserve from grant fund and the same is credited to current year income to nullify the effect of depreciation charged on grant fund assets. In financial year 2019-20 , an amount equal to the depreciation on assets formed/purchased out of grant fund amounting to Rs. 14,49,46,149.85/- is debited from capital reserve from grant fund and credited to revenue grant from capital reserve.
- e) On the test checking , we doesn't found any diversion of fund from capital receipts, grants , loans to revenue.

3.8 Assets

3.8.1. Public Works

- a) The cost of fixed assets include (i) cost incurred/amount spent in acquiring or installing or constructing fixed asset, (ii) interest on borrowings attributable to acquisition or construction of qualifying fixed assets up to the date of commissioning of the assets, and (iii) other incidental expenses incurred up to that date of bringing the asset to use.
- b) Any addition to or improvement to the fixed asset that results in increasing the utility or capacity or useful life of the asset is capitalized and included in the cost of asset. Expenditure in the nature of repairs and maintenance incurred to maintain the asset and sustain its functioning or the benefit of which is less than for a year, is treated as revenue expenditure in the year of incurrence as per AS-10 of the ICAI.
- c) Assets in the nature of civil works and equipment/machinery requiring erection/installation are first be accumulated under respective 'capital work-in- progress account' prescribed in the chart of accounts. Upon completion of the civil works and installation of machinery the value are transferred to the respective asset account under fixed assets. If the civil work of machinery installation as at the end of the year were under construction/erection/installation these is considered as "Capital Work-in- Progress". The value of each work-in-progress is include the direct cost on material, labour, stores, and advances to suppliers for material and others. Where an asset is created with borrowed funds the interest paid/accrued as on the day of the valuation is also be added to arrive at the total value of the work- in-progress.
- d) Generally the Earnest Money Deposit and Security Deposit received if forfeited is recognized as income when the right for claiming refund of deposit has expired. No such case noticed in singrauli Municipal Corporation audited period.
- e) Deposit received under Deposit works is treated as a liability till such time the projects for which money is received is completed. Upon completion of the projects, the cost incurred against it is reduced from the liability. **Rs. 39.60 Cr. has been outstanding under the head Sch. B7 deposit received but no individual contractors/supplier wise details has been maintained in computer system.**

3.6.2 Fixed Assets

Fixed assets include Land including parks; Buildings; Roads and Bridges; Waterworks; Bore Wells; Laboratory Equipment; Sewerage and drainage; Public Lighting; Luminary & Electrical Fittings; Furniture, fixtures, fittings; Electrical appliances; Office & other equipments; Computer Hardware, etc.; Vehicles; Health related assets; Cold Storage Equipment; Medical Equipment.
